Dedication

Mrs. Zeller

To you, Mrs. Zeller, the class of 1963 dedicates its yearbook. Your equanimity and patience, as well as your fun-loving character, have guided the class through most trying situations in both our junior and senior years. Although we are leaving G.H.S. now, our admiration and best wishes will remain with you for years to come.

HONOR

**President, New Hampshire
Association of Student
Councils**

Richard Backus was elected President of the New Hampshire Association of Student Councils for the years 1961 and 1962. He represented the State Student Council at the Conference of the National Association of Student Councils at Oklahoma City, Oklahoma, in 1961, and at the Williamsburg Student Burgesses at Williamsburg, Virginia, in 1962. He has worked for and accomplished a centralization of officers whereby all state officers will be elected from the same school, rather than from throughout the state.

D.A.R.

Judith Harvell was chosen to receive the D.A.R. Good Citizen Award from Goffstown High School. Judy has maintained a high honor roll average and is a member of the National Honor Society. In addition, she has been very active throughout her high school years in other school and community activities.

STUDENTS

Profile Boys' State

Profile Boys' State was held for a week at the University of New Hampshire during the summer of 1962. Forrest Greenwood and William Whipple represented Goffstown and learned the functions of their state government. They also attended a cook-out and a rally, and made many new friends. We are proud of them, and we know they enjoyed this experience.

Granite Girls' State

In the spring of 1962, Brenda Levesque was the fortunate junior girl chosen to attend Granite Girls' State, because of her interest in government work. She, too, spent a week at the University of New Hampshire, learning about government and having fun as well. This conference accomplished essentially the same aims as did Profile Boys' State.

LOOKING BACK

Our grammar school days ended with a class trip to Mt. Kearsage. It was a hot day in June, and none of us will ever forget those mosquitoes we found at the top of the mountain.

In Junior High our social life began when we entertained the eighth grade with a dance, "Star-dust."

We finally reached the last stretch in our long journey--we were in high school. We had to learn to work as we never had before. But our hard work and our efforts showed up when we received report cards and were able to boast a high percentage on the honor roll. Our Latin banquet gave us a chance to learn by doing.

OVER THE YEARS

We had a successful bottle drive during our sophomore year, and we decided to try our luck again at the beginning of our junior year. Everyone helped and we earned a good sum of money to put aside for our Prom.

Our class has participated in many extracurricular activities. Many of us represented the juniors in the one-act plays, and when production night came, we all proved our acting ability.

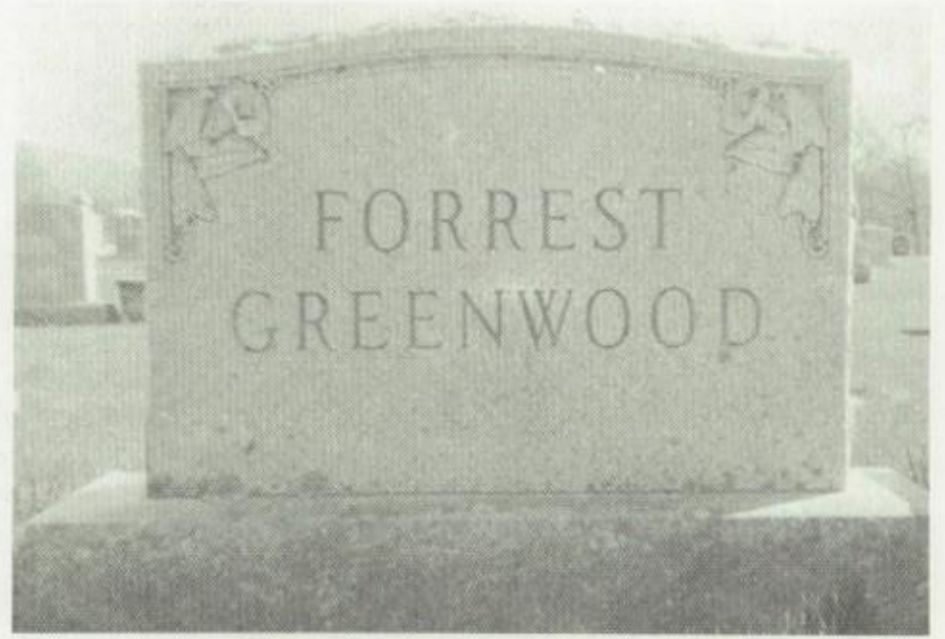

Although we didn't win the class trophy for the 1962 Winter Carnival, we had lots of fun trying. We placed third in the snow sculpture competition, and everyone enjoyed the antics of our boy cheerleaders on skit day.

Our Junior Prom

To advertise for our Junior Prom, we took many pictures of unusual sights, and made posters of them. A poster such as this one might have the caption "This will happen to you if you don't go to the Prom!" This method worked well, for our Prom was one of the best attended in years.

The name of the 1962 Prom was "Parisian Spring," and the gym was transformed into a scene in Paris. Our huge mural of the Eiffel Tower which decorated the stage drew many favorable comments. Everyone had a wonderful time, and this will undoubtedly be an outstanding memory for the Class of 1963.

Judy Harvell was chosen from all the Junior candidates to reign as Queen of the Prom.

Our homerooms as Mighty Seniors were Room 12 and the library. For the first time the whole class was together, and we worked especially hard together throughout this our final year at G.H.S. Rick Backus lead the class in making the numerous decisions which confronted us.

The first event of the year was our welcome dance for the freshmen. We provided the new-comers with silly stunts as an initiation.

We just couldn't let a year go by without a bottle drive. Another activity was the magazine drive in which we made over \$500. These two projects boosted our treasury enough so that we had no problems for graduation.

In the fall, seniors worked on the two productions "The Corn is Green" and "Opening Night," and soon after these were over, plans began for the spring musical "Oklahoma."

CARNIVAL

This year's G.H.S. Winter Carnival, Jan. 18-19, proved to be one of the most exciting and one of the closest ever. The winning Carnival title, SILVER SHADOWS, was submitted by Junior Paula Pappas. First prize in the poster contest was captured by the Seniors. First place in the essay contest was awarded to Senior Forrest Greenwood for his comical description of the Carnival events. Again the Seniors took top honors in the skit program during which each class presented an original skit advertising the coming Carnival events; Sophomores and Freshmen tied for second place. For the fourth time the Seniors were victorious with their prize-winning sculpture of a lion. The Sophomores and Juniors were both triumphant in the skating events, while the Seniors and Juniors took most of the top honors in the skiing and snowshoeing events at Lakeview Ski Area. The high point of the whole Carnival is the selection of the queen and her court at the gala Carnival Ball. The gym was decorated in a dazzling array of white, dark blue, and ice blue streamers. Diana Burpos and Meredith Baker were chosen as second aides; Brenda Lamson and Ruth Vickery as first aides. Heather Parker was Princess and Barbara McKay was crowned Queen of the 1963 Winter Carnival. The total scores of the Carnival were: Juniors 75; Seniors 73; Freshmen 58; Sophomores 46. We congratulate the Student Council for a wonderful carnival.

Marching Formation

Under the guidance of Mr. Ferdinando, the G.H.S. Band has become one of the most important organizations in the school. Along with its annual gala musical special, the spring concert, the Band performs at various other school and community functions throughout the year.

CHORUS

Under the direction of Mr. Buffington, the G.H.S. Chorus has proved itself to be an organization of the highest esteem. Along with its annual concert and assembly program, the Chorus and the Double Octet have given numerous performances for organizations outside the school.
